

The Red Wing Police Department is pleased to announce that Night to Unite is back for 2023! On Tuesday, August 1, join thousands of neighborhoods across Minnesota in getting to know their neighbors and strengthening the community by hosting or attending an event!

Here's how to start:

Begin on the RWPD's Night to Unite page of the City's website. Complete the online submission form to register your event! www.red-wing.org/NightToUnite

Next, get organized!

A little planning can go a long way. On the Night to Unite page, browse the PDF options for ideas on how to plan your event.

Invite the neighbors!

Time to put the "neighbor" in "neighborhood party!" Use the invitation flyers provided or create your own.

Remember:

Want to host your event in a public park or think you'll need roadblocks? Don't wait to contact the RWPD – they'll help guide you through the process.

Night to Unite is a way for communities to come together, now and in the future.
