

Dear Resident:

The current snow shoveling policy for the City of Red Wing is as follows:

Property owners must shovel their sidewalk within 24 hours of a snowfall. City crews may locate and shovel private sidewalks that have not been cleared so that sidewalks remain safe and accessible for everyone, including children.

Because the snow has not been shoveled from your sidewalk, City crews have removed the snow. An invoice in the amount of \$120.00 will be mailed to the property owner of record.

All snow removal is videotaped or photographed and available for your review by contacting the Public Works Office at 651-385-3674.

The City provides sand free of charge which can be picked up at the Public Works Office located at 229 Tyler Rd. N or the City Maintenance building at 321 Bluff Street.

Please contact the Public Works Office if you have any questions or would like to discuss the matter further. Thank you.
